

DPT Information for Speed-Presentations

Place and time	<p>Messe Augsburg Am Messezentrum 5 36159 Augsburg https://www.messeaugsburg.de/de</p> <p>23 June 2024 – 11:00 to 18:00 / Start of exhibition: 9:00 24 June 2024 – 09:00 to 16:00</p>
Congress attendance	<p>As a speaker you will receive a free congress ticket. If you are going to present your lecture together with other speakers, please give us information about their names and contact details via the online access. A second speaker receives the congress ticket at the reduced contributor rate (205 Euros). Additional speakers will have to pay the regular rate. No separate registration is necessary. May we draw your attention to the fact that no fees or travel expenses can be paid.</p>
Presentation details	<p>Speed presentations are scheduled to last a total of 10 minutes. This condensed form of presenting information does not include a subsequent discussion.</p>
Moderation	<p>During presentations, one person from the DPT team of helpers will be present to assist with technical questions and, if necessary, to hand out a hand-held microphone during the discussion. There will be no further moderation, as no discussions are planned in this format. We therefore ask you to briefly introduce yourselves.</p>
Technical equipment	<p>All lecture rooms are equipped with a PC, projector and projection screen as standard.</p> <p>You will receive information on how to submit your presentation in advance (technical check) later.</p>
Programme-Flyer	<p>The congress programme of the 30th German Prevention Congress will be available on our website www.praeventionstag.de/go/en at the end of March 2025.</p> <p>The printed, updated version will be made available to you on site when you check in at the congress. For reasons of sustainability, we will not be sending it out in advance.</p>
Online-Programme	<p>Detailed descriptions of all contributions will appear on the DPT website: www.praeventionstag.de/go/en. For this purpose, we require a short description/abstract of your contribution and a short vita (max. 1,400 characters each) as well as (optionally) a photo via the online access provided.</p> <p>The deadline for approval is 15 February 2025.</p>
Documentation	<p>We will publish your lecture-presentations or the written versions of the lectures in citable form in our internet documentation. We would be very glad if you are interested in the publication of your written version. Please provide us with your article in digitalised form – as soon as possible after the Congress finishes.</p>
